BABY'S VOICE

Is the joy of the household, for without it no happiness can be complete. Angels smile at and commend the thoughts and aspirations of the mother bending over the cradle.

The ordeal through which the expectant mother must pass is such that she looks forward with dread to the hour when she shall feel the thrill of motherhood. Every woman should know that the danger and pain of child-birth can be avoided by the use of **MOTHER'S FRIEND**, which renders pliable all the parts, assisting nature in its work. By its aid thousands of women have passed this crisis in safety.

MOTHER'S FRIEND is a safe, reliable, and valuable book of information for women sent free. THE BRADFIELD REGULATOR CO., Atlanta, Ga.

BACHELOR RECEIVES OFFERS OF MARRIAGE.

All Because He Drew a \$16,000 Prize in Uncle Sam's Land Lottery on the Flathead Reservation.

Spokane, Wash., Aug. 31.—Edwin W. Hyde, a bachelor rancher at Wilson Creek, Wash., who won a homestead valued at \$16,000 in the drawing for Indian lands in the Flathead reservation in western Montana, two weeks ago, is carrying his mail home in a wheelbarrow these days and the local postmaster threatens to resign because of overwork. He is besieged by widows, spinsters and romantic young women from various parts of the north-west and middle and eastern states, who are eager for the position as housekeeper on his new ranch. He has also received a half hundred proposals of marriage from women in New York, Chicago, Boston and other large cities. To say that Hyde is embarrassed is putting it mildly. He says the flood of letters was started by the publication of his photograph in a number of eastern and western newspapers at the time of the drawing, when the correspondents announced that he needed only a helpmate to make life complete.

August time, tells on the nerves. But that spiritless, no ambition feeling can be easily and quickly altered by taking what is known to druggists everywhere as Dr. Shoop's Restorative. Within 48 hours after beginning to use the Restorative, improvement will be noticed. Of course, full health will not immediately return. The gain, however, will surely follow. And best of all, you will realize and feel your strength and ambition as it is returning. Outside influence depress first the "inside nerves" then the stomach, heart, and kidneys will usually fail. Strengthen and see how quickly will be yours again. Sold by Stripling-Burrows Co.
